#### MORE SPIES ARRESTED!

FRANCE WILL RECOGNIZE THE  
CONFEDERATE STATES.

FREMONT SUCCEEDS PATTERSON

From Washington.

WASHINGTON, July 1.—It is stated on good authority that the morning of the 4th of July, Gen. Fremont, C. S., in possession of the facts, will call a column to move on the place and drive out or capture the 5,000 Rebels who now hold it. The rebels are running the cars within ten miles of the city, and it is said that at Fairlawn Station slaves are covering the track with a large amount of earth.

The Mountaineer reported that while passing through Frankfort, Ky., he saw the rebel steamer Gen. Page had steamed up and was moving about. The Pioneer had steamed up and would doubtless disable her.

At Mathias Point all was quiet, and no attempt has been made to erect a battery, nor were any troops to be seen.

Frankfort was in a state of confusion, Col. Stone took possession of the Maryland Heights and Harper's Ferry to-day. One piece of artillery placed there will prevent the rebels from occupying that place.

Wm. Brent, of South Carolina and Henry Scott, of Maryland, have been arrested as spies.

The most significant article published simultaneously in the Paris *Journal* and *Le Figaro*, the semi-official organs of Napoleon, foreshadows the coming recognition of the rebels by the South, as an independent power by France, England, and Russia.

No doubt need be entertained that the suppression of the rebellion will be prosecuted vigorously and without halting. The government does not intend to lag behind the almost universal demand of the people.

Today an order was given to supply the rebels on both sides of the Potomac with every article for six days in addition to their regular supplies.

The question daily asked in military circles is, why has not Patterson, president of the rebels, been sent to the front? He is a man of great energy and ability, and deserves to be put in command.

Major General Fremont received his commission to day in the regular army. The other Major-General so commissioned is Gen. McClellan to whom he therefore, before him.

Major General Fremont has not yet been appointed to a command. He expresses the hope that he may not long remain quiet.
